COMPTROLLER'S OFFICE, BANGALORE.

Circular dated 19th August 1947.

To

All Drawing Officers in Bangalore.

Re.—Classification of bills presented to the Pay Section of this office into Token and Non-Token Bills.

No. 45—P.S. The Drawing Officers in Bangalore are at present forwarding their bills either to the Pay Section or to the Tappal Section of this office. Bills received in the Pay Section are treated as Token Bills as a Token is issued in respect of each bill and those received in the Tappal Section as Non-Token Bills. Some Departmental Officers do not appear to be aware of this distinction between Token and Non-Token Bills. Due to this cause, Tokens have been obtained for bills which should in the usual course, have been treated as Non-Token Bills. In such cases, some of the cheques are remaining undelivered for a long time in the Pay Section of this office on account of the drawer not having received the cheque by surrendering the relative token and the payee also being ignorant of the cheque being ready for delivery, he not being the tokenholder. The work in this office has also increased thereby on account of the classification of a large number of bills as token bills unnecessarily. With a view to remedy the defects referred to above and to secure uniformity in procedure, the principles underlying the classification of bills into token and non-token ones are enunciated below for information and guidance of all Departmental Officers.

Tokens will be issued by this office only if the drawer and the payee of any bill are one and the same. The following are some of the bills which are treated as Token Bills:—

(1) Salaries and T. A. of Gazetted Officers and their Establishments,

(2) Contingent Bills of Offices,

(3) Bills for Advances and Loans, etc., which are to be encashed at the Treasury by the Drawing Officers themselves, *e.g.*, Advance of Pay, Permanent Advances etc.

(4) Bills for Cycle Advances, House Building Advances, Motor Car Advances, Provident Fund Advances, etc., of Gazetted and Non-Gazetted Officers presented by countersigning officers and payable in Bangalore.

The following kinds of bills are classified as Non-Token Bills:—

(1) Bills for supplies and services countersigned by Departmental Officers but payable direct to private parties or other Departments whether in Bangalore or outside.

(2) Bills of subordinate officers countersigned by Departmental Officers in Bangalore and payable at places other than Bangalore.

It is requested that the departmental officers in Bangalore may kindly note the distinction between Token and Non-Token Bills as explained above and give effect to the procedure with immediate effect.

If any Officer wants certain Non-Token Bills to be treated as Token Bills for sufficient reasons, he may make a reference to the Comptroller on the subject.

1374

Circular dated 2nd September 1947.

To

All the Drawing and Treasury Officers in the State.

Subject:—Government Order No. Fl. 1155-1221—S & A, dated 14th August 1947 sanctioning an advance of one month's pay as on 1st August 1947 to all Non-Gazetted Government servants of the State including Railway employees.

No. 461—B. II. In continuation of this office Circular instruction No. 459—B. II, dated 13th August 1947 on the above subject, the following supplementary instructions are issued for the guidance of all Drawing Officers (*vide* Government Order No. 1475-1544—S. & A. 34-47-4, dated 30th August 1947).

1. In the case of those who have been entertained subsequent to 1st January 1947 and to whom the advance has already been paid, the recovery may be made in six monthly instalments provided however if the official is likely to leave service earlier than 6 months, the period of recovery may be correspondingly reduced.

2. In the case of officials working in Departments like the Food and Civil Supplies Departments where the great majority of the staff have their lien in other epartments of Government and draw temporary rates of pay in the departments to which they have been lent and the revision of the pay of their substantive pay posts from 1st January 1947, is not likely to have any financial effect in their temporary posts, the Drawing Officers have to exercise their discretion and grant advances only to such of the officials from whom recovery can be easily effected.

3. In the case of advances made to daily rated staff such advances may be treated as payment of wages made in advance for their service rendered during the month following the payment of advance.

4. The payment of advance is admissible to the monthly rated employees of Industrial Concerns as in the case of Railway employees.

5. This advance of one month's pay is also admissible to the temporary staff appointed for definite period on a fixed or graded pay provided the Drawing Officers can recover the advance in not more than 6 months after the payment of advance. But temporary staff entertained against leave vacancies are not entitled to the advance if they do not satisfy the above condition.

6. In the case of the staff whose pay is chargeable to Work Establishment the advance is payable subject to the condition that the Drawing Officer is held responsible for the recovery.

7. Probationers who are drawing fixed rates of stipend are entitled to the advance if they are likely to be absorbed in regular vacancies and the recovery can be ensured.

8. In respect of daily rated employees, the advance to be paid should be on the basis of 26 days exclusive of overtime.

9. In the following cases the advances of one month's pay is not admissible:—

(a) Locally available candidates in superior service appointed prior and after 1st January 1947.

(b) The officials who died during August 1947 and who other wise fulfil all other conditions.

(c) Retired employees re-employed in Government Service.

(d) The officials employed in the Local Bodies.
